DTU presented merit awards and Professor Nguyen Ngoc Minh, representative of the Board of Provosts gave his best wishes to all female DTU lecturers and staff. He said: *“The tradition of Vietnamese women is heroic, dedicated and vital to their families. DTU women always try to maintain and develop women's traditional values at all times. They are work hard for their families and in their professions. The success of Duy Tan University has resulted significantly from their contributions. DTU will establish more equitable policies for female lecturers and staff, so that they can focus more easily on their teaching to make the DTU dream come true.”*
